ANNEXURE-IV

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Company is operating only one segment Vis Food Processing .However the company has not processed any green pea during the year.

1. Industry Structure and Outlook

In India, the domestic consumption behavior is undergoing a transformation and this change has been confirmed by an independent study initiated by the Company. These changes bode well for the Indian Frozen Foods industry where current penetration levels are substantially lower than other Asian countries.

In terms of international competitiveness as a supplier, India has strong fundamentals. It has the world's second largest arable land and its climatic and soil diversity allows it to produce a host of tropical and exotic crops. Internationally trade in processed foods is growing and represents 75% of global agricultural trade.

In recognition of the above, the Government of India and select State Governments are offering a series of incentives to the industry for the establishment and expansion of food processing facilities and food chain.

2. Opportunities and Threats

Frozen products offer a variety of benefits to consumers in terms of reduced time and labour costs, quality, product consistency, reduced prep- time, portion control, convenience, and avoidance of wastage, ease of storage, price stability and economics. The Foods Services Industry is an untapped segment of the market of the emerging frozen food market and presents itself as a significant opportunity.

The major threats to the industry arise out of backward integration of the emerging formats into private labeling, stringent food laws and stiff import duties of these products of importing countries and aggressive export pricing by China that can virtually block exports from India.

3. Risks and concerns

The Food Processing Business is dependent upon an assured supply of quality raw materials at competitive and predictable prices. Fluctuations in raw material prices and crop failures due to adverse climatic conditions present a business risk.

Whilst the country boasts of a large and diverse supply of raw materials, horticulture production in the country is primarily targeted towards production for the wet market. The pace at which the horticulture practices transform is a concern.

The products are stored and transported at sub - zero temperature and third party facilities are used extensively. Whilst a risk assessment is carried out in the selection and engagement of these third party facilities are used extensively, therefore the risks exist.

4. INTERNAL FINANCIAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has an internal control system, commensurate with the size, scale and complexity of its operation, the scope and authority of the internal audit function is well defined in the organization.

To maintain its objectivity and independence, internal audit function is laid before the Audit committee of the Board.

Based on the report of the internal audit & Audit Committee observation, corrective actions are undertaken by the respective department and thereby strengthen the controls.

5. Segment-wise Performance

Segment-wise performance is not applicable as the Company is not operating/operating only one segment.

6. Financial & Operational Performance

The total revenue during the year under review was Rs.14.51 Lacs as against Rs.46.12 Lacs during the previous year. The Company has registered net loss of Rs.71.71 Lacs as against the net loss of Rs.93.23 Lacs as against the net loss of Rs.00000 Lacs during the previous year.

7. Human resources development and industrial relations

The current strength of staff is 12. A higher than normal attrition rate was observed primarily on account of changes in the industry and the transformation. Industrial relations at the plant during the year were cordial.

8. Disclosure of Accounting Treatment

In the preparation of the Financial Statements the Company has followed the Accounting Standards referred to in Section 133 of the Companies Act, 2013.

9. Cautionary Statement:

The statement in the 'Management Discussions and Analysis Report' with regards to the projections, estimates and expectations have been made in good faith. But Achievement of results is subject to the Risks, uncertainty and moreover condition of weather and availability and supply of raw material.

INDEPENDENT AUDITOR'S REPORT

To the Member of

ANS INDUSTRIES LIMITED

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS, Financial Statements of **ANS INDUSTRIES LIMITED**, which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, the Cash Flow statement and the statement of Changes in equity for the year ended, and a summary of significant accounting policies and general notes.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 with respect to the preparation of these Ind AS financial statements that give true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the Ind AS financial statements in accordance with the Standards on auditing, issued by the Institute of Chartered Accountants of India, as specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statement, that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, its cash flows and the changes in equity for the year ended on that date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ANS INDUSTRIES LIMITED** as of March 31, 2020 in conjunction with our audit of the financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as under Companies Act, 2013.

Auditor's Responsibility

Our responsibilities is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note, require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining and understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend upon the auditor's judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

COVID-19 Pandemic

The Government of India has notified a complete lockdown in the country from March 25, 2020 for prevention and containment of Covid-19. This has resulted in many restrictions, including free movement of people. Therefore, we were unable to physically visit the office /factory of the Company for verification of physical documents. There is no inventory as there is no production during the year under review. The explanation from the Company has also been obtained either telephonically or electronically.

Meaning of Internal Financial Controls Over Financial reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of the records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of change in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. Corporate information

Ans Industries Ltd is in the business of manufacture and marketing of Frozen Foods under the brand name of "Maxxofresh". Ans has manufacturing facilities at Karnal (Haryana) but there is no production of green peas and sales during the year under review.

2. Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements are prepared on accrual basis under the historical cost convention in accordance with the provisions of the Companies Act, 2013 and the accounting standards notified by the Companies (Accounting Standards) Rules, 2006 (India GAAP) as adopted consistently by the Company.

2.2. Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories are valued at the lower of cost weighted average basis and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty. Due to perishable nature, the inventory (green peas) whose shelf life has been expired, same have been in the process of disposed off.

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and amortisation

Depreciation is provided on the WDV method as per the rates prescribed in Schedule II to the Companies Act, 2013. Free Hold Land is not depreciated.

2.7 Revenue recognition

Sale of goods

Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales include excise duty but exclude sales tax and value added tax.

2.8 Other income

Interest income is accounted on accrual basis. Dividend income is accounted for when the right to receive it is established.

2.9 Tangible fixed assets

Tangible Fixed Assets are stated at cost / revalued amount less accumulated depreciation. Cost comprises purchase price plus attributable cost (including borrowing and financing cost during the period of construction). The agricultural land of the company located at Shahabad Garhi, Mawana, Meerut of Uttar Pradesh is under disputed.

2.10 Capital work-in-progress:

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.11 Investments

Long term investments are carried at cost.

2.12 Employee Benefits

Employee benefits include provident fund, superannuation fund, gratuity fund, Leave encashment, compensated absences, long service awards and post-employment medical benefits.

2.13 Earnings per share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.
