RISK MANAGEMENT POLICY

The Company has formulated the Risk Management policy as per Section 134 (3) of the Companies Act, 2013 read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

1. OBJECTIVES:

The key objectives of the Policy:

- a) Maintain highest possible integrity for services provided by the Company.
- b) Create an environment where all employees understand and accept the important of Risk Management.
- c) Improve incident Management and reduce in loss and the cost of risk.
- d) Achieve a more confident and rigorous basis for decision making and planning.
- e) Improve the Company's ability to be proactive rather than reactive in risk management.
- f) Improve compliance with relevant legislation and,
- g) Demonstrate better corporate governance through transparent and responsible risk management processes aligned with accepting best practice standards and methods.

2. RESPONSIBILITY OF BOARD:

Risk management being one of the key functions of board where responsibility is cast upon the Board to

- Review and guide Risk Policy
- Ensure that appropriate system of control is in place, in particular, system for risk management
- Ensure that, while rightly encouraging positive thinking, it does not result in over optimism that either leads to significant risks not being recognized or expose the company to excessive risk
- Have ability 'to step back' to assist executive management by challenging the assumptions underlying risk appetite
- Review and take step for cyber security.
- We ANS INDUSTRIES LIMITED understand that controlling risk through formal program is necessary for the well being of our organization and everyone in it.

3. CATEGORIES OF THE RISKS:
