Notes:
1. The above is an extract of the detailed format of the Standalone Financial Results for the quarter and half year ended Sept 30, 2026 filed with Stock Exchange under Regulation 33 of the SEBI Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. The full format of this Standalone Financial Results are available on the Stock Exchange website at www.nseindia.com and also available on the Company's website at www.goodyear.co.in/investor-relations. The same can be accessed by scanning the QR code provided below.
2. The Statement has been prepared in accordance with the Indian Accounting Standards ("Ind AS 34") as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and interims of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
3. The Company is engaged in the business of sales of automotive tyres, tubes and flaps. The Company sells tyres of its own brand "Goodyear". The Chief Operating Decision Maker (CODM), Managing Director, performs a detailed review of the operating results, financial matters and decisions about the allocation of resources among the various functions. The operating results of each of the functions are not considered individually by the CODM; the functions do not meet the requirements of Ind AS 108 for classification as an operating segment, hence there is only one operating segment namely, "Automotive tyres, tubes & flaps".
4. "On November 21, 2025, the Government of India notified four Labour Codes, effective immediately, replacing the then existing 29 labour laws. In accordance with Ind AS 19 – Employee benefits, changes in employee benefit plans arising from legislative amendments are treated as prior period events, requiring immediate recognition of changes in the past service cost in the standalone financial results. This approach is consistent with the guidance issued by the Institute of Chartered Accountants of India. The Company has assessed the impact of these changes and recognised as past service cost aggregating to Rs.2,177 lakhs, as exceptional items in the financial results for the year ended March 31, 2026. Consequent to the employee compensation restructuring during the previous quarter, the Company had remeasured its gratuity and compensated absences obligations as at June 30, 2025. The remeasurement resulted in a reversal of past service cost previously recognised in earlier quarters, aggregating to Rs.810 lakhs, which has been recognised as an Exceptional Items in the Statement of Profit and Loss for the quarter ended June 30, 2025."
5. Pursuant to the approval of shareholders at the Annual General Meeting held on August 12, 2026, the Company has declared the Final Dividend of Rs.20.50 per equity share of face value of Rs.10 each for the financial year ended March 31, 2026, as recommended by the Board of Directors.
6. This Statement has been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 13, 2026. The financials results for this quarter and half year ended September 30, 2026 have also been subjected to limited review by the Statutory Auditors of the Company.
